August 1, 2003

Dear Sir or Madam:

This letter will serve as a 30-day notification pursuant to Section 6 of the Dietary Supplement Health and Education Act of 1994 that NBTY Inc. is using the following statements on our Neuro-PS™ supplements under the Radiance label:

Ingredients: Vitamin C, Phospholipid Complex from Soy Lecithin, Phosphatidic Acid, Phosphatidylinositol, Soy Phospholipids & Glycerides, Phosphatidylcholine, Phosphatidylethanolamine

- Aids Brain Function, Sharpens Mental Focus and Improves Memory
- Phosphatidylserine (PS) is a natural substance found in brain cell membranes.
- PS plays a role in brain function.
- In addition, levels can decline with age.
- Studies show that PS supports a positive influence on memory, emotional balance, mood and cognitive focus.

The above statements are accompanied by the required disclaimer pursuant to Section 6 of the Dietary Supplement Health and Education Act.

Sincerely,

Joanne DeCandia, MS, RD

Director of Nutrition Communications
